The owner*, Machines Corporation , of 100 percent interest in the instant application hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant	
application, which would extend beyond the expiration date of the full statutory term of an	
reference Application Number 09/976,542 , filed on October 12, 2001 , as such term is	
defined in 35 U.S.C. 154 and 173, and as the term of any patent granted on said reference application may be shortened by any terminal disclaimer filed prior to the grant of any patent on the pending reference application. The owner hereby	
agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it	
and any patent granted on the <b>reference</b> application are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors or assigns.	
In making the above disclaimer, the owner does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. 154 and 173 of any	
patent granted on said reference application, "as the term of any patent granted on said reference application may be	
shortened by any terminal disclaimer filed prior to the grant of any patent on the pending reference application," in the	
event that: any such patent: granted on the pending <b>reference</b> application: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally	
disclaimed under 37 CFR 1.321, has all claims canceled by a reexamination certificate, is reissued, or is in any manner	
terminated prior to the expiration of its full statutory term as shortened by any terminal disclain	ner filed prior to its grant.
